## Brownsville Marina:

The Port of Brownsville Marina has all the amenities of a large marina but with the charm, peacefulness and rustic setting of a small rural community. The Port of Brownsville has seen many changes over the years, but it's goal remains the same as it 's always been, to provide affordable public recreational opportunities and to provide access to the water for safe and responsible use of their marine resources.

## Services include:

- > Fuel Dock with ethanol free unleaded, diesel & water
- > 2 free pump-out locations | Public boat launch
- > Laundromat - restrooms - Showers
- > Transient (guest) moorage | Permanent moorage
- > Full service deli
- > Covered picnic area, picnic tables, fire pit, barbeques
- > Home of the Brownsville Yacht Club
